

Requirements!

THE CERTIFIED FOOD PROTECTION MANAGER REQUIREMENT AND YOU

January 19, 2023 | 9:00 – 11:00 AM

Assisted Living, Enhanced Services Facilities & Skilled Nursing Emphasis

COURSE OVERVIEW

This session will review the new Washington Food Code requirement for the Certified Food Protection Manager (“CFPM”) certificate. While the requirement affects all food establishments, this webinar will be focused for those working in skilled nursing and assisted living facilities. After the session, attendees will better understand how the CFPM affects food safety, which workers need certification, how people can become certified, and what the CFPM will need to do to stay in compliance. Questions are encouraged.

REGISTRATION INFORMATION

\$39 per facility WHCA Member Rate

\$78 per facility Non-WHCA Member Rate

You may have as many people join in as you would like—one phone/computer may log in per registration! Please register only one person for the webinar unless a second individual plans to log in from a separate location.

Login and dialing instructions will be emailed on the day prior to the webinar.

Two CEUs will be granted to each individual who completes the live webinar presentation.

SPEAKER

Susan Shelton is a public health advisor with the DOH Food Safety Program. She has been in public health at the state and local level since 2000 and worked as an educator, inspector, and program supervisor. She is currently the program’s technical lead and specializes in produce safety, multi-location consistency, and the state food service rule revision and interpretation. In addition to facilitating a statewide retail food advisory group, Susan regularly provides trainings to regulators, industry, and the public. Susan has a B.S. from Eastern Washington University.
